SUMMARY: Self-motivated, deadline-driven multimedia journalist with a nose for news and passion for community journalism. As comfortable at the anchor desk as I am in the field. With experience in local and national newsrooms, I look for the story behind the story, seeking out real people and sharing their stories on both broadcast and digital platforms.

PROFESSIONAL EXPERIENCE:

NBC5, Burlington, VT – Reporter/MMJ & Fill-In Anchor **May 2021 - Present**

- Turn daily news content for 5/5:30/6PM newscasts under tight deadlines on a range of topics, including breaking news
- Produce and deliver fair, accurate, and unbiased news from field and studio while establishing strong network of sources
- Generate story ideas, write and voice scripts, edit video content, shoot b-roll & interviews, and post to digital platforms
- Anchor weekend newscasts while simultaneously producing on-air and web content
- Serve as station representative within the community at fundraisers and events

NBC News, New York, NY – TODAY Show, Production Assistant **June 2020 – May 2021**

- Pitch, write, produce, edit, and act as on-air talent for Hoda & Jenna’s "What Today Is It?" series
- Produce content for live broadcast, including b-rolls, graphics, and elements while exercising strong editorial judgment

NBCUniversal, New York, NY – East Coast Page **May 2019 - June 2020**

Corporate Communications Production - Assignment #1

- Interviewed celebrities and employees to produce promotional videos which were distributed across NBCU platforms
- Shot footage, compiled media, and edited videos using Adobe Premiere Pro while acting as PA on set

TODAY Show Plaza - Assignment #2

- Co-produced 4-5 daily crowd shoutouts and 8:30am crowd moment for TODAY on the plaza, including pitching ideas to Executive Producer and prepping anchors for on-air hit

USA Marketing Production - Assignment #3

- Produced, wrote, and edited on-air promos, digital media assets, and YouTube ads for USA/SYFY programming

NBC4 Washington, Washington, DC – News4 Reporting Intern **January 2019 - May 2019**

- Wrote and pitched stories, attended daily editorial meetings, conducted research, and actively gathered news elements
- Wrote scripts and edited packages on crime, health, and community events; worked assignment desk for breaking news

CBS News, Washington, DC – CBS Evening News, Production Intern **September 2018 - December 2018**

- Interviewed senators on Capitol Hill during the Kavanaugh hearings for on-air and digital stories
- Contributed to reporting and production, monitored social media, and logged interviews, press conferences, and hearings

MSNBC, New York, NY – Meet the Press Daily, Production Intern **June 2018 - August 2018**

- Researched current events and issues, created packets on daily guests, ordered graphics, and coordinated on-air guests

NBC News, Los Angeles, CA – Dateline NBC, Production Intern **January 2018 - April 2018**

- Researched stories and cases; transcribed and catalogued media tapes from interviews, court hearings, and trials
- Assisted with shooting and reporting in the field; engaged with viewers on social media during broadcast

WCVB-TV (ABC-Affiliate), Needham, MA – Chronicle, Production Intern **June 2017 - August 2017**

- Assisted producers on field shoots, interviewed subjects, conducted research, and investigated story pitches

Mashpee TV, Mashpee, MA – On-Air Reporting Intern **June 2016 - August 2016**

- Created and hosted “Mashpee Moments” and interviewed local personalities to highlight businesses and events
-
